

Things About your puppy:

This puppy has had:

Deworming:

- 2 weeks- Pyrantel & Toltrazuril
- 4 weeks- Pyrantel
- 6 weeks- Safeguard
- 8 weeks- Safeguard & Toltrazuril

Shots:

- 3 weeks: Neo par (Parvo)
- 5 weeks: Neo par (Parvo)
- 8 weeks: 5-way shot.

For the Vet- This puppy needs:

- 10-week Dewormer
- 11-week shots
- 13-week Dewormer
- 14-week shots
- 16-week last wormer
- 17-week last shots

6-month rabies vaccine (We prefer not sooner)- this is only a recommendation and you should listen to what your vet thinks! 😊

Dog Food:

1. Your puppy then should **continue this dog food throughout their life**. We feed this daily- for life for all our dogs.
 - a. <https://www.exclusivepetfood.com/products/detail/prime-red-flannel>
 - i. If you use this website, scroll all the way down and type in your zip code to find a retailer (its cheaper than amazon)
 - b. <https://amzn.to/3KBm0On>
2. Here is one more dog food I recommend- but only if the red flannel isn't working for your puppy, as a last resort.
 - a. <https://amzn.to/3Os888M>

Vitamins:

1. Nuvet Plus **and** NuJoint DS
 - a. https://www.nuvetlabs.com/order_new2/products.asp
 - b. The code is 394578
2. Vitamin C- 500mg
 - a. during their growth periods- which is from when they leave me until 6 months. You do not need to start this unless they are starting to look a little flat footed- to avoid this, the Nuvet joint supplements are great.
 - b. <https://amzn.to/3PACAPq>
 - c. <https://amzn.to/3BiFX9u>

Additives:

1. Colloidal Silver- 1 capful in dogs' water **every couple days**
 - a. <https://amzn.to/3PveJk2>
2. Dyne- ¼ cup a **couple times a week** through their life mixed in with their food/Nuvet
 - a. <https://amzn.to/3zdpvVo>
3. Probiotics- follow directions on package- **daily for life:**
 - a. <https://amzn.to/3PYnHX3>
4. Pumpkin- follow directions on bag – **a couple times a week**
 - a. <https://amzn.to/3yZq8Bu>

Ears:

1. Zymotic Ear cleaning with hydrocortisone- for ear cleaning after baths
 - a. <https://amzn.to/3b2wzfc>

Nails:

1. Dremel 7300-PT- for nail grinding that **needs to be done WEEKLY**. I do NOT clip my dog's nails.
 - a. <https://amzn.to/3zut8HM>

Bathing:

1. Here is what i bathe mine in
 - a. <https://amzn.to/3PV2PzW>

Loose Stool:

1. Here is what you can have on hand throughout their life for runny poop
 - a. <https://amzn.to/3Bco5Nn>

Females Heats:

1. Here is what you can use for heats! These work great
 - a. <https://amzn.to/3cA47Sp>

Toys:

1. Bones
 - a. <https://amzn.to/3cFVntP>
2. Peanut Butter toy
 - a. <https://amzn.to/3z6t67r>
3. Ropes
 - a. <https://amzn.to/3PSHd73>
4. Antlers
 - a. <https://amzn.to/3ouyBrS>
5. Training Treats
 - a. <https://amzn.to/3vakk7l>

Do not get anything rawhide related; grain free related; lamb related; or anything with peas in it! 😊
